# CAPABILITY STATEMENT

***Your reliable solution partner!*** - is a **Native American-owned**, Small Business with over 20 years of experience delivering innovative technology solutions to tribal communities and federal agencies across both CONUS and OCONUS regions.

As a trusted solutions provider, **DT-Trak** offers a single, reliable source for multi-industry support, including Healthcare, IT & Communications, office and school supplies, PPE, construction and hardware, and medical equipment. Backed by strong industry partnerships and a mission-driven approach, we help agencies achieve their goals with confidence, efficiency, and operational agility.

We understand what it takes to deliver critical mission support and empower the people on the ground who make that mission possible. That's why our philosophy is simple -

***"Helping People Help People!"***
